ABG Nourish

The National Student Officers elected at the 2025 Leadership Conference wish to share their guidelines and invite all ABG chapters to participate in this year's National Service Project, called ABG Nourish, to unite ABG chapters across the country in the fight against hunger.

*** Please contact local food banks for information on donations; Feeding America can also suggest needy organizations for food donations, also the Salvation Army and other community organizations.

ABG Nourish - Chapter Preparation Checklist

1. Donation Boxes

Find sturdy, clean boxes to use as donation collection points

Check these places for free boxes:

. Local grocery stores or supermarkets (ask customer service or managers)

. Retail stores (big-box stores, department stores)

. Warehouses or wholesale clubs (Costco, Sam's Club, etc.)

. Campus mailroom or shipping/receiving departments

. Community centers or local businesses

Label boxes clearly as ABG Nourish Food Drive Donation Box

Place boxes in high-traffic campus locations with permission (libraries, cafeterias, student centers, dorm lounges, etc.)

2. Promotion Materials

Download and print flyers from the **ABG Nourish Google Drive toolkit:**

Post flyers around campus and in community spots (churches, community centers) if possible

Use provided email and social media templates to spread the word

Encourage members and non-members to participate

3. Partnerships & Volunteering

Research local soup kitchens or food pantries to partner with for donations and volunteer opportunities

Plan possible volunteer activities (food sorting, packing, serving) if time permits

4. Reporting Preparation

Track and record:

. Number of food items collected

. Total volunteer hours spent collecting and serving

Prepare to submit your chapter's report immediately after the campaign deadline, February 6, 2026.
